# City Improves Online Job Listing & Application Process Effective March 30, 2017

The City of Bonney Lake's Human Resources Division has improved its online job listing and application process. The enhanced system is now powered by NEOGOV, which is 100% web-based and uses secured Cloud computing.

The NEOGOV solution will allow applicants an easy-to-use online application process for City of Bonney Lake jobs. The product will feature open positions, information about benefits, all of the City's job descriptions and will provide a standardized, time-saving processing feature that will contribute to greater efficiencies in our system's hiring and selection process.

The City will begin accepting online applications for open positions using the new system beginning March 30, 2017. Applicants will need access to a computer, the Internet and an email address. Computers are available at the Bonney Lake Branch of the Pierce County Library during hours of operation.

For more information, please visit the Human Resources [website](#) or contact Human Resources at (253)862-8602 or [hr@ci.bonney-lake.wa.us](mailto:hr@ci.bonney-lake.wa.us).
