On 03/06/2012, at approximately 1858 hours, Bonney Lake Police were sent to the 5300 Block of South Island Drive for a report of a single shot being fired during a Domestic Violence Dispute between a husband and wife. Upon arrival in the area Officers contacted the wife and confirmed that she had not been hit or injured during the incident. Officers discovered that the wifes vehicle had been struck by one round that was fired by the husband as she was attempting to leave the residence. Attempts to contact the husband on the phone were negative. The Metro SWAT team responded to the scene and attempted to contact the husband inside of the residence, again with negative results.

A search warrant was obtained and the SWAT team entered the home and searched for the husband. The husband was not in the residence. The husband is currently at large and is considered armed and dangerous. This case is still under investigation.
